**THE HOTEL BAHIA DEL DUQUE HAS BEEN NOMINATED IN THE CATEGORY OF "BEST RESORT IN SPAIN" AS PART OF THE PRESTIGIOUS "GOLD LIST" PRESENTED EACH YEAR BY "CONDÉ NAST TRAVELER"**

**Santa Cruz de Tenerife, December 2016.-** The Bahía del Duque Hotel ([www.bahia-duque.com](http://www.bahia-duque.com)), owned by Compañía de las Islas Occidentales (CIO) ([www.cio-company.com](http://www.cio-company.com)), has once again been included in the prestigious "Gold List" by the Spanish edition of Condé Nast Traveller.

On this occasion, the Bahía del Duque has been nominated in the category of **"Best Resort in Spain"**, accolade which it also received in 2010, and was later followed by "Best Spa in Spain", award which the Hotel has received on four different occasions from this publication, one of the most prestigious in the tourism industry.

The "Gold List" has become a showcase of the excellence in travel and they reward the most important national and international hotels, destinations, transportations, travel products, etc.

The importance and uniqueness of these awards lies in that it is the readers of the magazine who vote for their favourite products (<http://m.traveler.es/viajes/mundo-traveler/articulos/gold-list-2017/9766>), which adds enormous value to this prestigious list and its publication.
